Itinerary Quick Look

We're happy to tailor this private tour of Guilin to match your interests. **Please note that the time frame is for reference only and may vary due to traffic conditions on the day of your tour.**

Your tour guide will meet you in the hotel lobby as long as the hotel is located in downtown Guilin. If your hotel is outside this area, or if you need to be picked up at the train station or airport, the guide can still meet you up, but an additional charge will apply.

Day 1: Elephant Trunk Hill-Reed Flute Cave

Let's start with the symbol of Guilin, Elephant Trunk Hill. Take signature pictures, listen to the legend of how an elephant turned into a hill there, and find out the secrets hiding in the belly of this "elephant".

After lunch, spend a literally cool afternoon in the Reed Flute Cave. It's a pleasant temperature year-round and fun to see the amazing array of limestone formations highlighted in neon lights.

At the end of the day, your private guide and driver will transfer you to your hotel and assist you with check-in. Enjoy a relaxing evening.

Day 2: Li River Cruise and Xianggong Hill

Karst hills, graceful bamboo groves, and fishing cormorants - the charming views of the Li River are the essence of Guilin. While most tour groups have a 3-star cruise, we will arrange a 4-star cruise (the highest level, with better facilities and buffet lunch) to ensure you have the best experience of the river's charm.

Arriving at Yangshuo, it's time to explore a hidden gem of the Li River - Xianggong Hill. It is considered

to be one of the best places to enjoy a bird's eye view of the Li River.

After the tour, sit back and relax, as our private transport returns you to your hotel in Guilin.
